## 2. Reasons for the Revisions

According to the press releases of “Notice Concerning Transfer of real estate in Jpan (Oedo-Onsen Monogatari Kamoshika-so and Oedo-Onsen Monogatari Kinosaki)” and “Notice Concerning Revisions to Fixed-term Building Lease Contracts” announced today, operating revenues are expected to decline due to the temporary rent reduction, regardless the gain on sale is generated.

In those results, assumptions of forecasts for the fiscal period ending November 2022 in Summary of REIT Financial Report for the 12th Fiscal Period published on July 20, 2022, are expected to change, so the Investment Corporation has decided to revise the forecasts for the fiscal period ending November 2022, and due to the elimination of uncertainties that existed as of July 20, 2022, it announced the forecasts for the fiscal period ending May 2023 for the first time.

**Assumptions Underlying Forecasts of the Financial Results**  
**for the 13th fiscal period ending November 2022 and the 14th fiscal period ending May 2023**

Item	Assumption
Calculation period	<ul style="list-style-type: none"> <li>• Fiscal period ending November 2022 (13th fiscal period: from June 1, 2022, to November 30, 2022) (183 days)</li> <li>• Fiscal period ending May 2023 (14th fiscal period: from December 1, 2022, to May 31, 2023) (182 days)</li> </ul>
Managed Assets	<ul style="list-style-type: none"> <li>• The number of properties owned by the Investment Corporation is assumed to decrease to 12 after the transfer of Ooedo-Onsen Monogatari Kamoshika-so and 30% of co-ownership interest of Ooedo-Onsen Monogatari Kinosaki as of November 30, 2022, and decrease to 11 after the transfer of remaining 70% of co-ownership interest of Ooedo-Onsen Monogatari Kinosaki as of February 28, 2023.</li> <li>• It is assumed that there will be no changes other than the above (acquisition of new properties, sale of owned properties, etc.) by the end of May 2023.</li> <li>• The managed assets may change due to acquisition of assets other than the owned properties above, the disposition of assets under management, etc.</li> </ul>
Operating revenue	<ul style="list-style-type: none"> <li>• Lease operations revenue from the owned assets is calculated based on the lease agreements effective on November 30, 2022. It is calculated in light of rent revisions to be made in the future, taking into consideration market trends and other factors. It assumes that there is no delinquency or non-payment of rent by the tenant.</li> <li>• The period constituting the basis for calculating variable rents are determined by multiplying the modified GOP for the period between September 2021 and August 2022 in the 13th fiscal period ending November 2022 and determined by multiplying the modified GOP for the period between March 2022 and February 2023 in the 14th fiscal period ending May 2023 by the premium rate that is specified in each lease agreement. This assumes that the effects of the COVID-19 pandemic will cause a decrease in the modified GOP that becomes the basis of calculating variable rents, resulting in no variable rents for all properties in the 13th fiscal period ending November 2022 and the 14th fiscal period ending May 2023. It is also assumed that fixed rents shall be paid in full to the effect that the provisions of lease agreements are effective on November 30, 2022.</li> </ul> <p>Rent is calculated based on the following assumptions:</p> <p>[Ooedo-Onsen Monogatari Reoma Resort]  Fixed rent: 52,456,896 yen monthly (Except from September 2022 to February 2023; 50% of the amount.)
